SOCIAL BAND

There are a number of online resources for you to keep track of band activity events. These social sites will be updated on a regular basis.

1. The official webpage for the Joplin North Band program is www.northjoplinband.weebly.com. This site will contain a monthly newsletter, a schedule of events, and an additional copy of the student handbook. You will also find links to our other social pages. **This is the best place for you to watch for updates to the events schedule.**
2. The official Facebook page is called Joplin North Bands. Please like this page for announcements and updates. For travel events, the facebook page will be updated to give parents updates on our departure and arrival times.
3. A remind 101 class has been created for 2nd and 3rd year band students bands called **"NMS 7th Band 2020-21."** This resource will send out text message and email alerts for classroom announcements and band activities. Parents will either be added by me or can sign up on their own using a form sent home with students. Parents that do not wish to be on Remind 101 must notify me ASAP. *Understand that if you do not wish to use Remind 101, you will miss important information alerts.*
4. **Parents, please make yourself a part of all our communication networks for NMS Bands. Mr Raffurty puts great effort into keeping all members of this large program informed about activities and events. The more you know as parents, the easier it will be for you to plan your involvement in the activity with all the other activities your family is involved with.**
